How Your Donation Will Be Used

Dear Missoula Neighbor,
Thank you for supporting Boy Scout Troop 1911. This is our first year collecting Christmas trees. Your tree will be recycled by the city of Missoula. This project takes the burden off our landfill and reintroduce these trees back into the environment with a new and useful purpose.

Your financial support will allow our Troop to participate in activities next year, including:

- Summer Camp at Melita Island on Flathead Lake
- 50-mile canoe trip through the Missouri Breaks
- Monthly camping trips including caving, Mann Gulch, and backpacking
- Outings such as bicycle trips, Discover SCUBA, and rock climbing
- Gaining confidence and life skills by earning merit badges in areas such as cooking, space exploration, and wilderness survival
- Community Service Projects like planting flags for the 9/11 Never Forget service and river clean-ups
- Leadership training for scouts and adult leaders

Scouts in our Troop learn lifelong skills, leadership, the value of helping others, and the importance of working together. Troop 1911 is for boys aged 11-17 that want to spend time outdoors camping, swimming, kayaking, rock climbing, and much more! Girls aged 11-17 are also welcome in Scouting.
